Dear Dr. Brzakovic,

As President of the Alliance for Research on Corporate Sustainability (ARCS), I am writing to confirm ARCS' participation in the proposed Columbia-led **STC: Center for Learning the Earth with Artificial Intelligence and Physics (LEAP)**.

Specifically, we will disseminate information about LEAP's collection of feedback regarding the nature and format of data usefulness, as well as data, results, and opportunities generated from LEAP, via our multi-platform and social media channels.

Please do not hesitate to contact me with any questions. I or one of my colleagues look forward to participating in the virtual site visit on Tuesday, September 22<sup>nd</sup> from 4:30 to 5:15 pm ET.
